

INDIANA ASSOCIATION OF PUBLIC EDUCATION FOUNDATIONS

EDUCATOR SCHOLARSHIP OPPORTUNITY

INAPEF IMPACT: Public education foundations invest private dollars that are granted to their local school districts to fund classroom initiatives that public funding for schools does not cover. The INAPEF member K-12 public education foundations in Indiana bring in more than \$13 million annually for grants and scholarships that benefit students across the state.

AMERICAN COLLEGE OF EDUCATION

Do you have staff members in your district who are interested in taking the next step in obtaining their certification, bachelor's degree, or master's degree in the education field? This scholarship opportunity for educators is now available for INAPEF members' district employees.

ACE will be awarding \$20,000 in scholarships. Staff members from INAPEF members' districts are eligible to apply for scholarship funds via this scholarship application managed by INAPEF leadership. Eligible applicants must plan on attending the American College of Education within the 2024 calendar year. Scholarships of at least \$4,000 will be distributed. Winners will be announced in February 2024.

Please share this scholarship opportunity with your district's HR department leaders.
